Thanks, Lisa. I appreciate you guys taking the time to examine all the materials and talk with your grant specialist. Just as an fyi, I'm going to be out of the office tomorrow around noon and all of Friday (I'm defending my master's thesis in Ellensburg). I will be back in all next week though. Once you are able to look at the materials and discuss this project more internally, please let me know EPA's availability for a meeting. I can then coordinate with Fran and Larry regarding their schedules.

Tiffany and Larry,

My apologies, but we would like to reschedule this morning's meeting. We'd like to better examine all the material before us, and also involve our grants specialist, in this discussion to ensure we make the best use of everyone's time. We will send some available times for us shortly. Again, our apologies, but we want to ensure we are fully prepared for the discussion.

Lisa
